

COACH SCHMITT CLINIC

With heavy hearts we mourn the passing of our beloved Michael Schmitt. Coach, friend, mentor, and a key member of our board, Michael was a model of faith and giving. In honor of his love of football and devotion to SSSP we are now holding this special clinic in his name. His spirit will live on through our work.

Rob Lucenti: A legendary flag football coach at American Martyrs and the 2020 recipient of the Arrow Award, Rob leads our annual flag football clinic. Each year, 4 teams learn from Coach Rob and leave the field with new uniforms, mouth guards and footballs.
