THE DAY

The Leadership Academy is our annual event recognizing two outstanding 8th grade student athletes from each school for their leadership qualities. They attend a day-long Academy where they engage in inter-active group exercises and receive valuable advice on how to succeed from a panel of current high school students. Another highlight of the day: a visit and a talk from a LA Ram!

What you need to do

Please be thinking of your two nominees and promptly submit to Anne when requested in March.
