

SAINT SEBASTIAN SPORTS PROJECT
Supporting Catholic Schools Through Sports

SMArts™

ScienceMathArts

A dynamic program fusing the joy of dance with core academic concepts, creating a learning journey that your second grade students will never forget.

Learning that's fun!

Learning that sticks!

Learning that inspires!

Smarts is experiential learning!

Aligned with the rigorous Common Core Standards, for grade two, SMArts has already won the hearts of countless schools in Los Angeles.

Don't miss the opportunity to bring this captivating educational experience to your class. Field trip to the Nutcracker Suites live performance is based on availability. Get ready to ignite your students' passion for learning with SMArts. Registration is now open.
